AN HISTORICAL DESCRIPTION OF LEWISBURG

Lewisburgh is a quiet little town of some four hundred inhabitants. It is situated on the banks of Twin Creek, and was founded first by Zachariah Hole and Henry Horn.

All the trades have representatives here. Lewisburgh labors under the disadvantage of being at a great distance from any railroad. However, it contains four churches, all of which are in a prosperous condition.

SUMMER READING PROGRAM

It is that time of year again! Get ready for summer reading at Brown Memorial Library.

The Summer Reading Program is a great way to keep your kids active and reading during the summer. The program begins June 3 and runs through July 15. There will be an activity and craft every Monday and Wednesday beginning at 10:30AM and open to everyone ages 5 and up. Kids can earn prizes along the way, and those who complete the reading requirements will be able to participate in a random draw for larger prize, including Kings Island tickets and gift cards.

“Whatever the cost of our libraries, the price is cheap compared to that of an ignorant nation”
