

# **BROWN MEMORIAL LIBRARY**

**101 S COMMERCE STREET • LEWISBURG • 937.962.2377**

Dear Patrons and Community Members,

In the interest of public health and for the safety of our patrons and staff, Brown Memorial Library will be closed until April 6, 2020. This means we will no longer be able to offer curbside delivery. All fines will be waived on overdue items during the closure.

In the meantime, we encourage patrons to take advantage of our digital collection for eBooks, audiobooks, and magazines through the [Ohio Digital Library](#).

Because this is an unprecedented time when everyone in the state is desperate for a distraction, Ohio Digital Library is temporarily enabling OverDrive's Instant Digital Card (IDC) feature. This allows non-library users to get access to library materials even if the physical library is closed and you are unable to issue a card. Users will be authenticated as Ohio residents using their phone numbers and a texted verification code. They can then start checking out titles immediately.

If you have questions, please contact us through our website <https://www.brownmemorial.lib.oh.us/contact> or reach out to us through social media.

Please keep in mind that these measures are temporary and are subject to change. Thank you for your patience and understanding during this time.

Director
