

BROWN MEMORIAL LIBRARY
101 S COMMERCE STREET • LEWISBURG • 937.962.2377

April 4, 2020

Dear Patrons and Community Members,

At the direction of Governor Dewine and for the safety of our patrons and staff, Brown Memorial Library will be closed until further notice

In the meantime, we encourage patrons to take advantage of our digital collection for eBooks, audiobooks, and magazines through the [Ohio Digital Library](#).

Because this is an unprecedented time, the [Ohio Digital Library](#) has temporarily enabled the Instant Digital Card (IDC) feature. This allows non-library users access to library materials. Users will be authenticated as Ohio residents using their phone numbers and will be texted a verification code. They can then start checking out titles immediately.

If you have questions, please contact us through our website <https://www.brownmemorial.lib.oh.us/contact> or reach out to us through social media.

Please keep in mind that these measures are temporary and are subject to change. Thank you for your patience and understanding during this difficult time.

Mary Ellen Lakes
Director
